

Lady Pamela

SUPER YACHT

Built for speed and comfort, the 22 knot cruise speed allows Lady Pamela to hop between islands or secluded Whitsundays dive sites with ease and comfort.

—
The superyacht Lady Pamela was built by one of the most renowned Italian ship builders, Benetti Azimut and finished in classical Italian style. Built for speed and comfort, the 22 knot cruise speed allows Lady Pamela to hop between islands and secluded Whitsundays dive sites with ease and comfort. At home in Sydney harbour, the open flybridge of Lady Pamela offers a panoramic view to admire. The area offers a large alfresco dining table, sun lounges, outdoor facilities, BBQ and Jacuzzi.

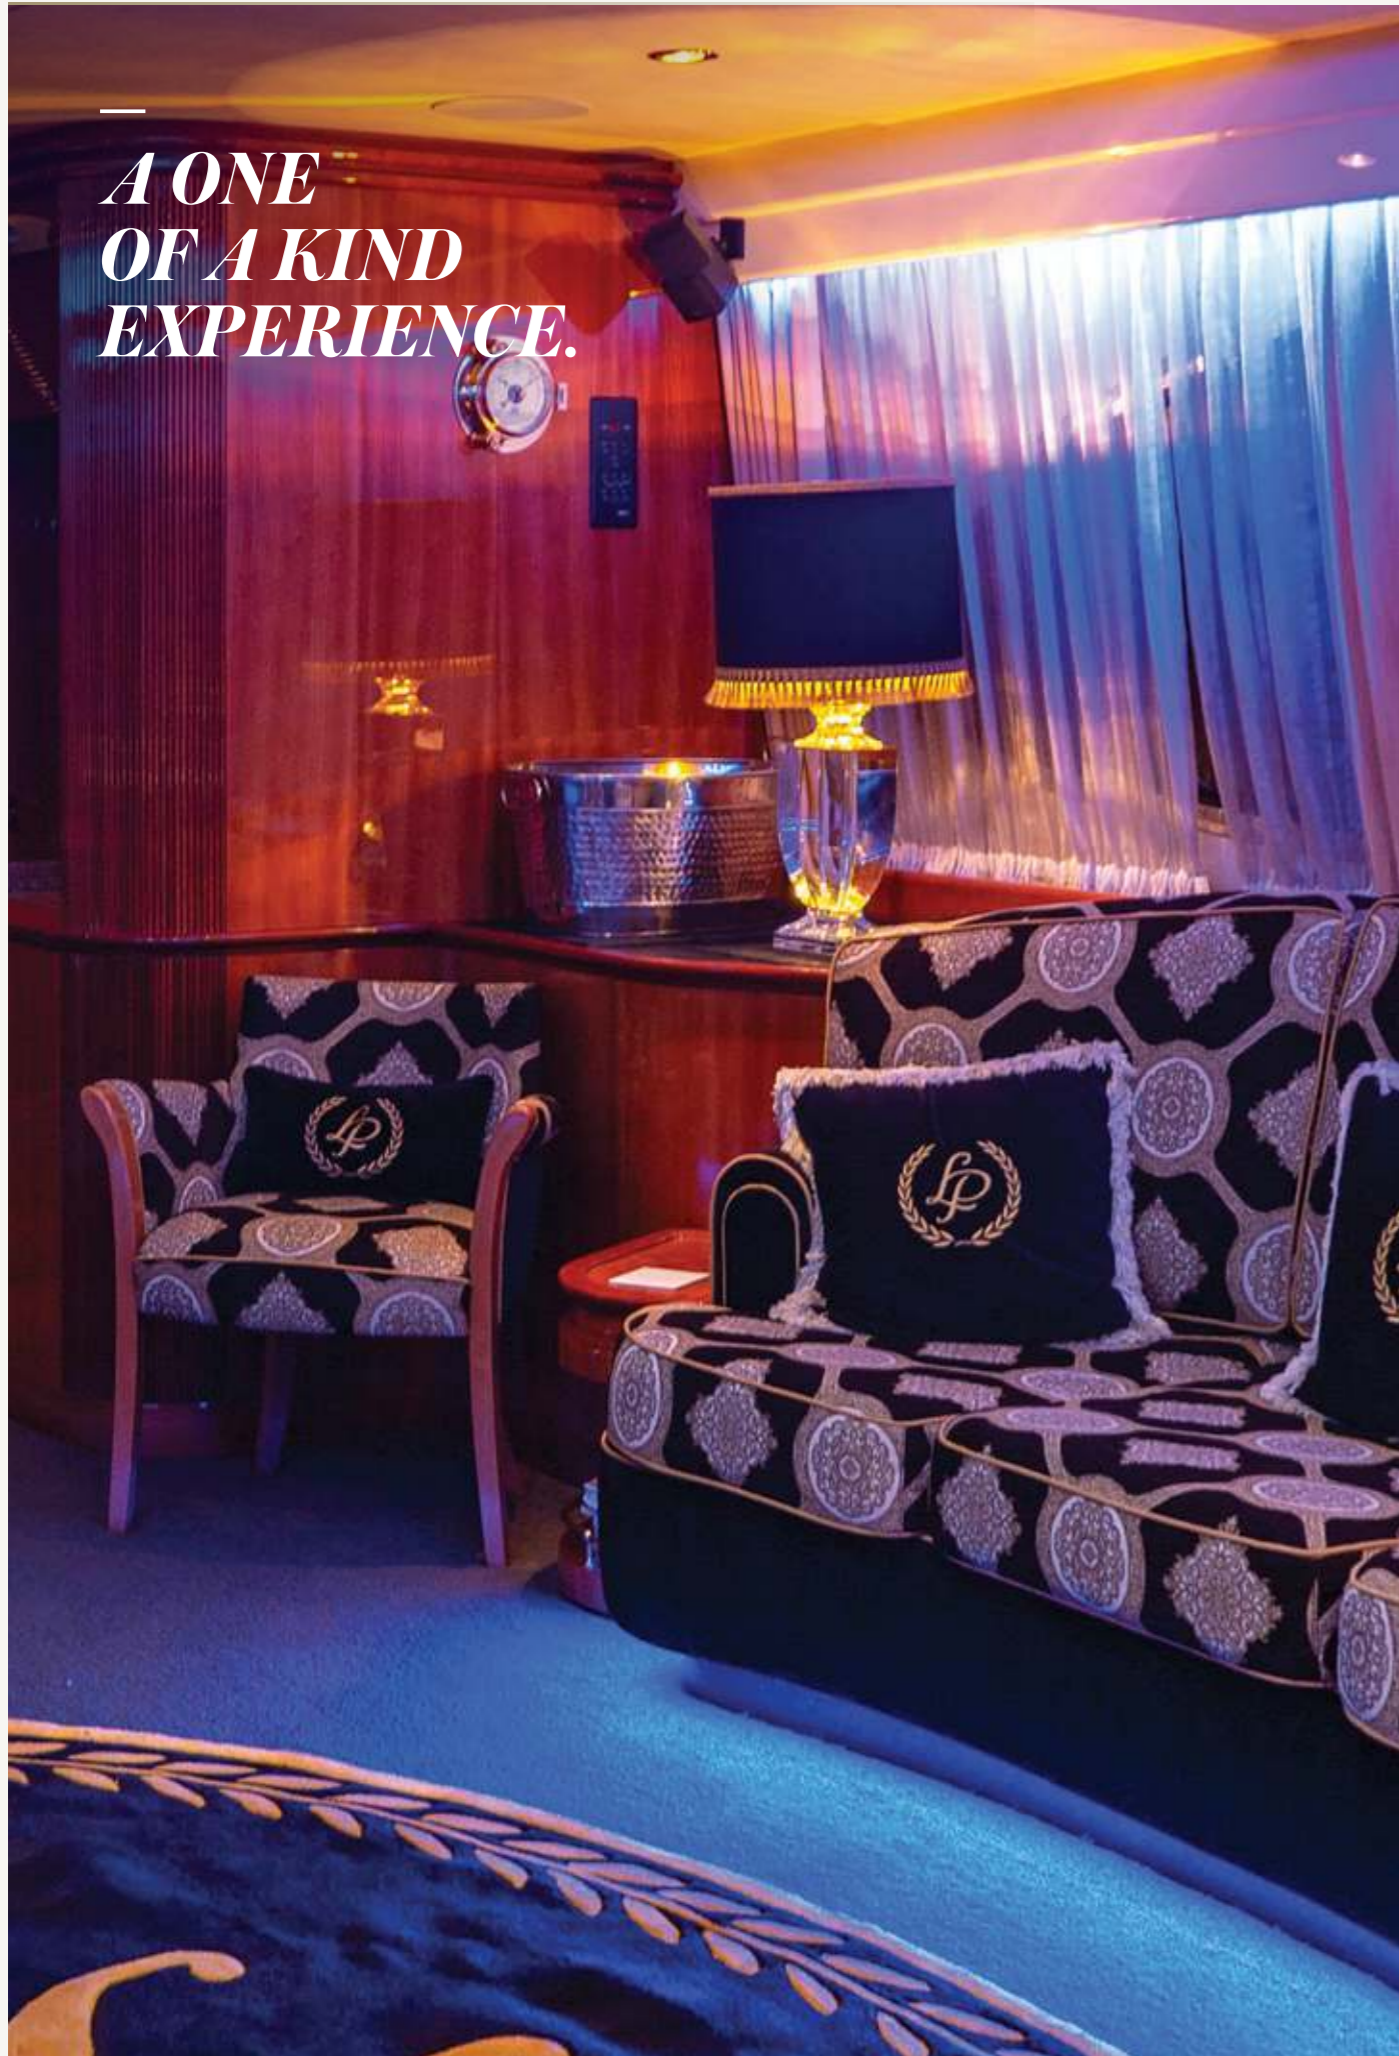

The entire transom of Lady Pamela is ideal for SCUBA diving, snorkelling, fishing or a refreshing dip in the tropical waters of the Whitsundays.
