Espresso Martini

Like a refined Red Bull and vodka for coffee lovers, the Espresso Martini promises a pick-me-up, calm-me-down effect in a tasty package. T

Old Fashioned

The Old Fashioned is timeless. This simple classic made with rye or bourbon, a sugar cube, Angostura bitters, a thick cube of ice, and an orange twist delivers every time.

Mojito

The Mojito might be Cuba's most popular contribution to cocktail culture. The simple mix of white rum, lime juice, cane sugar, and soda (with muddled mint, please) is fresh and tropical, and it's a classic that we don't expect to disappear any time soon.

Moscow Mule

This famous drink contains ginger, vodka, lime, and soda.

Aperol Spritz

this popular aperitif is as visually pleasing as it is tasty and easy to make: a three-two-one ratio of Prosecco, Aperol, and soda. May the summer of spritz compel you.

Whiskey Spritz

Basically, the cocktail version of Michael Fassbender - delicious, with an edge of mystery. We love a whisky spritz as a welcome drink - it's light and slightly sweet but with enough flavour to please everyone.

Cosmopolitan

The Cosmo became almost ubiquitous in the '90s thanks to the TV show *Sex and the City*, but this spin on the martini remains just as tasty today as when Carrie Bradshaw made it famous.
